

# Naledi Farm

## Camping Experience

Take part in our weekend camping experience. Contact us for more information and prices

### *What to Expect - Day 1*

#### **Morning:**

Check in and welcome followed by a farm breakfast on the stoep.

#### **Mid-morning:**

Guests take part in bread making activity where they learn how to make bread from scratch using an old family recipe. This is followed by a guided tour of the farm where guests get to learn about the various indigenous plants that grow here, water harvesting and basic farm operations. This tour leads to the organic vegetable garden, where guests fill their baskets with the fresh vegetables and herbs before heading over to the kitchen where together with the host they prepare a scrumptious lunch.

#### **Afternoon:**

The afternoon ends with a beautiful meal made out of the bounty of the days harvests - bringing their farm experience full circle, from Garden to Table.

#### **Late afternoon:**

Guests take part in outdoor team building games and activities, the activities are detailed on pages 3 and 4.

#### **Evening:**

Guests enjoy dinner at the boma.

## *What to Expect - Day 2*

### **Morning:**

Farm breakfast followed by a guided walk through Crocodile River Reserve or Hennops Hiking Trail.

### **Afternoon:**

Guests head on back to the farm for lunch. This is followed by a creative activity.

### **Evening:**

Guests enjoy a braai at the boma.

## *What to Expect - Day 3*

### **Morning:**

Farm breakfast and check out.

## *Camping Tent*

We provide accommodation in our 2-sleeper glamping tents. We will setup your tent for you and break it down thereafter. Tents come with: bed with mattress, table and table cloth, 2 x Pillows, sheets, duvet, towels & mat and outside showers with hot water.

## *Meals*

For added peace of mind, campers will be treated to top class food directly from our gardens. You will be served breakfast, lunch, and supper. You are more than welcome to bring your own alcoholic/non-alcoholic beverages or extra meat for your own braai later on.

## *Team Building Activities*

### • **ICE BREAKER ACTIVITY**

Apply team-work, task allocation, time management and creativity.

Guests bake bread and cook a meal together -level of risk low to none

Guests take part in bread making activity where they learn how to make bread from scratch. This is followed by a walk to the organic vegetable garden, where guests fill their baskets with fresh vegetables and herbs before heading over to the kitchen where together with the host they will prepare lunch.

### • **CONSTRUCTION AND INVENTION ACTIVITY**

Apply effective communication, role allocation, time management to a fun creative task.

Build a community that works - level of risk: none

Using a wide range of materials, teams build an imaginative and creative community that is functional. Teams work on their own section but ensure they collaborate with other teams for a big picture approach ensuring there is uniformity and flow.

### • **STRATEGY AND COMMUNICATION ACTIVITY**

Apply effective communication and strategy to anticipate the next persons move.

Morabaraba - level of risk: none

Teams work together to take as many of the opponent's cows as possible while moving their cows forward and towards their opponent's back row.

### • **PROBLEM SOLVING AND TEAM BUILDING ACTIVITY**

Apply problem solving, effective communication and enhance social connectedness.

Scavenger hunt - level of risk: low to none

Teams work together using their different skills and strengths to work through clues to find hidden items on the farm.

### • **CREATIVE AND ARTISTIC ACTIVITY**

Encourage self expression, innovation and creativity.

Create a DIY/crafts project - low to none

Guests work individually to create a DIY/crafts project.
