

FOOD GARDENS DESIGN, SET UP AND MAINTENANCE

ONSITE CONSULTATION, GARDEN PLAN AND SET-UP

OPTION 1: RAISED BED GARDEN IN WOODEN PLANTERS

- You find a spot which receives at least 8 hours of sun daily for the raised bed.

Telephonic consultation

- We plan your garden according to your personal goals. Once our plan is complete (about 2 days) we present it to you and discuss costing, plants, and any changes you require.

Garden Set-Up Cost Including a Maintenance Plan

- Wooden planter box (1000 x 750 mm) charged at 500.00 per box. Or get your own planter.
- Labour to set up box charged at 650.00
- Plants, seeds, kraal manure charged separately.
- Transport to site charged at 03.00 rand/km.
